# **HORSEMANSHIP CAMP THIS SUMMER AT THE BARN**

Gold Creek's horsemanship camps are a great way for beginner riders aged 4-9 years to gain experience riding, caring for horses, and enjoying all that the barn has to offer. Campers are expected to bring a water bottle and sack lunch. Appropriate dress includes jeans or riding pants, boots with a heel, and a riding or bike helmet.

In 2020, camp will take place from 9:30am-2pm Tuesday through Thursday and will be offered every other week throughout the summer (a minimum of three students must be registered).
